

Yes, We Have A New Picture!

Since we inadvertently used the wrong picture in our 2002 Herd Sire Directory, we thought we needed to show you the mass, length, muscle and scrotal development CHARISMA now possesses. Our first calves by this powerful son of White Oak Precise are looking good!

We also want to THANK the buyers of our Missouri Angus Futurity consignments. It truly was a "Royal Queen" Day.

After winning the Division VII Championship SAF Royal Queen 9372, the two-year-old daughter of MILLCREEK DIVERSITY, became the \$12,000 top-selling cow, going to Schuring Cattle Co., Andover, SD and Gary Wall, Baxter, IA. Her September, 2001 FOCUS daughter, SydGen Royal Queen 1450, was the second top-selling female, at \$8,000 to Christy Laake, Houston, TX making this "Royal Queen" pair the highest-selling female lot at the Futurity since 1989.
