These two maternal brothers are an exciting look at the future of SydGen. Their maternal brothers by FOCUS (STRATEGY, BULLS EYE, 903 and 9064) already dominate the sub-zero division of the young sire summary with their first calf crops. CONNECTION was the \$50,000 top-selling bull of our 2000 Sale, and DIRECTIVE was the \$25,000 second top-selling bull of our 2001 Sale.

Their dam, SAF Royal Queen 5084, is the **only** cow in the Angus breed that ranks in the top 1% for BW, WW, Milk, and YW EPDs.

Progeny from these three young sires will headline our 2002 calf crop. Put them to work in your herd by calling (573) 581-1225.

SAF MILLCREEK CHARISMA

BIRTH	WEAN	MILK	YEARLING
-6	.34 +53	.31 +22	.22 +100
IMF	UREA	UFAT	UPRP
+0.9	+0.88	+0.034	+0.40
Sire's EPDs			
			21

Registered Angus Cattle Since 1952

CHARISMA carries a powerful set of non-parent EPDs, ranking in the top 3% for BW, and well into the top 1% of the breed for WW, YW and SC. His phenotype indicates the muscling prepotency that has earned his sire an ultrasound REA EPD of .88, one of the breed's highest. CHARISMA is one of the few breeding-age sons of White Oak Precise available, and a full brother to Roths Millcreek Unique.
