

# Many of the great success stories of the Angus Breed had their beginnings on the Saturday before Thanksgiving.

**SAF FAME**

Generated over \$1.8 million in semen sales to date.

**SAF 598 BANDO 5175**

1995 Sale - \$2,800 to Elm View Angus, Bath, SD  
Re-sold in their 1998 dispersion for \$6,000 to Schaff's Angus Valley  
Generated well over \$1 million in semen sales at Genex.

**SAF FOCUS OF ER**

1996 Sale - \$68,000 to Edwards Ranch, Denton, MT.  
Generated more than \$1.5 million in semen sales to date.

**SAF ROYAL LASS 5158**

1996 Sale - \$6,000 to Grandview Plantation, Como, MS.  
Topped the 2001 Grandview/Womack Sale at \$48,000 to Kahn Cattle Co. Sold in the 2003 Kahn dispersion for \$100,000 to Southern Cattle Co. Her flush sister sold in our 1995 sale for \$4,000 to Fretwell Angus, and topped his 2000 consolidation dispersion at \$26,500 to NER Farms.

**FAMOUS 7001**

1996 Sale - \$4,000 to A&M Circle T Farms, as an unborn calf in his dam, TK Karen 1369. Named Grand Champion Bull of the 2000, National Western Stock Show, he has sired several very popular show ring winners, including the unprecedented Grand and Reserve Grand Champion Bulls at the 2003 National Western Stock Show.

**SYGEN STERLING 0298**

2000 Sale - \$1,900 along with his dam, to Graupman Angus, Monroe City, MO. After ratiating 250 for IMF at Graupman's, we re-purchased him for \$3,500 and re-sold him again through our 2002 sale for \$22,000 to Express Genetics. Sterling currently records the 6th highest IMF EPD among active Angus sires, and with his first four progeny scanned at an average IMF ratio of 123, the possibilities are endless . . .

*As our friend Dave McMahon says, "You don't know if you don't go!"*

No SydGen customer success story is complete without mention of the \$4,750 SAF Royal Lass 7036 heifer calf to Bob and Cathy Watkins in our 1997 sale. 7036's first daughter's first calf was the \$202,000 Midland record-setter, BR Midland. 7036's dam was selected by Lena Farms from our 2001 Sale, and they realized more than 300% return by selling only half interest in the cow, and 7036's full sister, in our 2001 Sale to Ron Smith, returned 500% when she re-sold to Southern Cattle Co.
