

# Looking Forward to November . . .

Ranking near the very top of proven dams for ultrasound values and \$G Value, this proven performer also has established an enviable production record in our herd with three calves weaned at 110 ratio and two yearlings at 109. Royal Lady offers an outcross pedigree to many of today's most popular sires. Selected as a feature bred heifer of the 2000 Summitcrest Sale, she has been a prolific embryo producer, yet maintained her spring calving status through four natural calves. Two of her sons have sold to C.K. Allen's Woodland Farms, with other sons working at Double Creek Farms, Meridian, TX, and Hudson Angus Farms, Jefferson City, MO. Two daughters in the 2003 National Western Foundation Female Sale sold to Ray-Mar Farms in California and John Walters in Michigan. A daughter and three top sons by SydGen Sterling 0298, highest ranking IMF sire on the young sire summary, will be offered, and OJ02 herself will be offered as a Buyer's Choice with her powerful natural heifer calf by Leachman Boom Time. A granddaughter by SAF Focus J30 and a grandson by SAF Connection will sell, as well as several calves by her son, SydGen Focus 2088, the top yearling weight bull of our 2002 sale bull offering.

## SUMMITCREST ROYAL LADY OJ02

BIRTH	WEAN	MILK	YEARLING	SC	SF
+2.4 .73	+42 .66	+29 .64	+72 .65	+58 .25	+14.79

%IMF	Ultrasound RE	Body Composition	EPD FAT	%RP	\$B
+52 .43	+42 .43	+0.051 .44	-.23 .43		+37.25

## TEHAMA BLACKCAP G360

Selected a year ago as the top-selling cow of the Tehama Mature Cow Herd Dispersion, G360 has emerged as one of the very top daughters of EXT, weaning four natural calves at 105, three yearling progeny at 105, and 13 progeny scanned with an average IMF ratio of 114, yet fat ratios of 91 and 97, and average REA ratios of 100. A daughter of G360 was the top-selling fall pair in the recent Signature Collection Sale. G360's natural fall heifer by Summitcrest High Prime will lead off our fall yearling heifer division.

BIRTH	WEAN	MILK	YEARLING	SC	SF
+2.5 .72	+42 .66	+22 .64	+83 .67	+33 .53	+25.01
CARC	MARB	REA	FAT	%RP	\$G
I+7 .31	I+.11 .31	I+.10 .31	I+.012 .31	I-.10 .31	+18.60
%IMF	Ultrasound RE	Body Composition	EPD FAT	%RP	\$B
+27 .25	+39 .25	+0.007 .26	+20 .25		+38.91

Two very outstanding daughters of SAF Connection have already surfaced this summer in the junior shows. We congratulate Katrina Frey, Quarryville, PA, on her Grand Champion Bred-and-Owned Female at the 2004 Mid-Atlantic Junior Angus Classic, and Cameron Ward, Plattsburg, MO, on his Reserve Supreme Champion Female at the 2004 Missouri All-Breeds Junior Cattleman's Show.
