

Watch for our consignment . . . to the 52nd Annual Missouri Angus Futurity

February 21-22, 2009 • University of Missouri Livestock Center, Columbia, MO
Sale Day Phones: 573-473-9202, or 573-808-0734

As always, a top fall-calving two-year-old will headline our consignment to the Missouri Futurity. This daughter of the 2005 Missouri State Fair Grand Champion Bull is a maternal sister to the \$48,000 valuation Grand Champion and top-selling female of the 2007 Missouri Angus Futurity. Her dam, by SAF Focus of ER, was the top-selling fall pair in our recent production sale at \$11,500. Other maternal sibs include the \$10,000 top-selling heifer calf at our recent sale and a \$6,500 herd bull in our 2006 sale. 6753 has been flushed once, producing 11 transferable embryos, and sells re-bred to the \$60,000 SydGen Sure Bet. Has a September 8, 2008, heifer calf at side by Connealy Forward that may be the best fall heifer calf born here in this calf crop.

Summitcrest Primrose 2J02

The grandam of SydGen Bullet 8511 and longtime breed leader for IMF EPD, 2J02 sold for \$90,000 as the all-time top-selling female from the Summitcrest program.

SydGen Forver Lady 4556

Maternal sister to SydGen Forever Lady 6753, she was named Grand Champion Female of the 2007 Missouri Angus Futurity, selling half interest to Schuring Cattle Co., Andover, SD, for \$24,000.

This son of the \$30,000 SydGen Bullet is from a cow family noted for carcass quality. Bullet records one of the top curve-bending spreads in the breed today, and his calves are noted for excellent feet and legs along with extra volume and rib. Dam, by B/R New Dimension 7127, is one of our top up-and-coming donors.
