

Their Proof Continues to Soar . . .

The two top-performing bulls from the January 2006 SydGen calf crop, these powerful young sires have soared to the top of the sire summaries with their first progeny proof. They are the only sires to rank in the top 1% for both the \$W and \$B indexes on the young sire summary, and the only two bulls in the breed that ranking with a scrotal EPD above breed average.

Owned with TK Angus, Gordon, NE
This moderate-framed, long-bodied Objective son is pictured on the range at TK Angus. He offers true-blue calving ease with incredible growth, and sired the top-selling bull in the recent TK Angus bull sale. He ranks number 4 on the young sire summary for WW, number 3 for \$W, and number 9 for \$B. MANDATE's first 37 progeny scanned ratio 112 for IMF. \$25 per unit.

Owned with Hoover Angus, Tingley, IA
This powerful son of Connection combines eye-appeal with tremendous thickness and muscle, and a pedigree stacked for docility. He is the highest WW EPD sire on the young sire summary at his accuracy level, and sired the top-selling bulls in the recent Hoover Angus bull sale. CC&7's first 65 yearling progeny ratio 105 for YW. 109 progeny scanned ratio 100 for IMF and 103 for REA. \$25 per unit.

These three up-and-coming sires have incredible potential as well, and we eagerly await their first progeny proof. Every one is out of a top young donor in our program with tremendous upside. Join us in sampling these top prospects!

Owned with Basin Angus Ranch, Hobson, MT; Express Angus Ranches, Yukon, OK; and Three Trees Ranch, Sharpsburg, GA. SURE BET is just that. Sired by Objective, out of a Lead On daughter of B/R Ambush 28's full sister, he is poised to rise to the top of the breed for overall merit. The top adj. WW calf of his fall-born contemporary group, SURE BET was the number 1 fall bull for \$W and \$B in the 2008 SydGen Sale where he was top-selling bull at \$60,000. \$30 per straw.

15354674 (AMF)

Owned with JMJ Ranch, Hollis, OK
TRUST has a few spring calves on record, and several fall calves on the ground to verify his calving-ease. TRUST posted the highest actual and adjusted IMF scan in his contemporary group along with a 15.6 REA to help him earn an elite profile for carcass merit, with Marbling EPD in the top 1%. Exceptionally sound and easy fleshing. \$16 per unit.

SydGen Turbo 6684

15553710 (AMF)

TURBO posted the top weaning and yearling weights in our largest fall-born contemporary group, gaining 4.71 lbs./day, then ratioed 118 for IMF with a 15.5 REA to ratio 103. Phenotypically deep quartered with exceptional length, TURBO was also named the 2008 Missouri State Fair Grand Champion Bull. His calves on the ground are exciting. \$20 per unit.

For more information on these up-and-coming young sires, order an ORigen directory by calling 1-866-867-4436, or go to their Web site at www.ORigenbeef.org.

Semen and additional information is available direct from us by calling 573-581-1225, and by visiting our Web site at www.sydgen.com. Free shipping is available on orders totaling \$500 or more, and volume discounts are available. All AI Certs are \$40.

Semen is also available from most local semen distributors through the ORigen network, and from representatives of ABS Global.
