

More Top Donors to be offered on November 20, 2010!!!

In addition to the dam of the popular CC&7, we will offer these two proven donors and close to 300 top females of all ages in our 32nd Annual Production Sale on November 20. Though we are more well-known for the success of our bull sales, females like these help create that foundation.

SAF Forever Lady 0020

\$62,000 dam of 4242 at Three Trees Ranch

4242 is our best daughter of the \$62,000 SAF Forever Lady 0020, who topped our 2002 production sale to Three Trees Ranch, Sharpsburg, GA. SAF Forever Lady 0020 is also the dam of SydGen Contact whose son, SydGen Contract 9410, recently topped the Midland Bull Test Sale at \$65,000. 0020 has recently moved up strongly on her carcass EPDs with 9 carcass progeny reported. 4242 herself records 8 progeny scanned at 116 ratio for IMF and 108 for REA, and ranks in the top 1% of proven dams for both Marbling EPD and \$Beef. She is an easy-keeping female with a flawless production record and an excellent udder. We are retaining five daughters, two of which have already served as donors for us.

4470 is our most productive daughter of Leachman Blanche 1019, who achieved the most powerful production record ever at SydGen, weaning 12 calves at 114 ratio and 8 yearlings at 111.

4470 herself achieved Pathfinder® status with 4 BR-103, 4 WR-112 and 3 YR-108. She has produced 47 transferable embryos in three flushes, yet maintained her calving interval nicely. She produced the top indexing bull calf in her contemporary group two years in a row, including SydGen Force 8781 who is being used back in the SydGen program.

A flush brother, SydGen Garfield 5732, was the \$16,000 selection of Big Dry Angus Ranch, Jordan, MT, in our 2006 Sale. 4470 carries the rare and valuable service of SydGen DOC 9017, the \$53,333 selection of Whitestone-Krebs and TC Ranch in our 2009 Sale, and is due in September. A fall yearling daughter by Prime Star, a fall yearling son by SydGen Mandate 6079, and a fall yearling grandson by SydGen Sure Bet will sell.

Our Apologies to Foster Creek Farms, Wells, MN, whose name was left off list of buyers of SydGen Contract 9410, (top-selling bull, Midland 2010) in our June ad.

SydGen Force 8781

The \$14,000 son of 4470 at Wagonhammer Ranches.
