

Are Calving-Ease, Muscle, Carcass Value and Docility Important to You?

As of this writing, only one sire on the main sire summary and one sire on the young sire summary rank in the top 5% of proven sires for CED, REA, \$B and Docility. Both those sires are featured here, and both are available to add this powerful combination of traits to your program.

- Besides surfacing in this elite sort, TRUST also ranks in the top 4% for Marbling EPD and the top 5% for \$W, and is currently the Number 11 \$B sire on the main summary.
- The dam of TRUST stems from our most productive herd bull producing cow family, and is a massive individual herself, as well as an elite combination of CED and \$B Values.
- The first five TRUST daughters in production have weaned their calves at 109 ratio.
- With his added capacity and rib shape, superior Pfizer HD 50K rankings, and exceptional soundness, TRUST offers a host of reasons to include him in your program.
- Owned with JMJ Ranch, Hollis, OK. \$26 per unit.
