

60th Anniversary Sale and 34th Annual Production Sale

November 17, 2012
10 a.m. • At the farm

These four powerful donors will have calves at side, and ready to go on November 17. Selling as Lots 2, 3, 4 and 5, they are unique and powerful combinations of \$W, \$B, Docility, SC and HP . . . futuristic females designed to produce herd sires with multi-trait superiority. We will have a buyer's option to leave them on-farm for their first flush.

As calves, 6007's flush siblings sold for \$20,000 and \$13,000 in our 2006 Sale where her dam was the top-selling cow at \$36,000 for half interest. She will have a calf at side by SydGen Googol.

Selling 90 bull calves, 130 fall yearling herd sire prospects, 30 spring calving cows, 50 fall calving pairs, 50 spring heifer calves, .80 fall yearling heifers and 50 bred heifers.

As this goes to press, the fall bulls have just been weighed off-test with an ADG of 3.89 lbs./day through the toughest heat stress we've ever experienced, giving them an average adj. YW of 1,331 lbs. along with an average adj. SC of 37.1 cm and average frame score of 6.0.

Our sale book will be included with your November *Angus Journal*®.
