

Consigning Our Best... to the Missouri Angus Futurity February 23-24, 2013 • Columbia, MO

Sired by one of the breed's most unique outcross Marbling sires, SydGen Contact, this top two-year-old combines excellent udder structure and phenotype, and sells with one of the first calves by the \$25,000 SydGen Googol, top-selling bull in our 2011 Sale to Springvale Angus, Hot Springs, MT. Her dam, SydGen Primrose 5273, was selected as the \$16,000 heifer pregnancy of the 2004 Summitcrest Production Sale, served as a donor for us, and was featured in our 2011 Sale to Raven Angus, Colome, SD, where a flush brother to 0681 was selected by Raven Angus for \$10,000. A flush sister to 0681 was selected by Express Ranches, Yukon, OK, in that same event at \$5,500, and a maternal brother and sister in our 2012 Sale brought \$7,250 and \$7,000 to DJV Cattle Co., Edwards, MO, and JMJ Ranch, Hollis, OK. 5273 has 21 progeny scanned with an average IMF ratio of 106 and an average REA ratio of 101. Other sons of 5273 include a \$6,000 Bullet son to Rees Brothers in Utah, and a \$5,000 Bullet son to Triple L Ranch and Spring Cove Ranch in Idaho through the 2009 Missouri Angus Futurity. 0681 produced 13 transferable embryos in December, and will sell re-bred to Indian Springs Jack Daniel.
