

# The Dams of these top Young Sires all sell on **November 22, 2014!**

As always, it will be a "virtual dispersion" of all of our salable 6- or 7-year-old cows, including Pathfinders® and donors. We will also sell more than 200 herd bull prospects, 100 fall yearling heifers, 50 spring bred heifers and 40 heifer calves. Every sire listed here will have progeny in the offering. Few sales offer you the opportunity to see progeny of top young sires, and the dams of those sires as well. Our customers appreciate the continuity of our program. Make plans now to see for yourself, on November 22.
