

64th Anniversary

38th Annual Production Sale

Saturday • November 19, 2016 • 10 a.m. • At the farm
Featuring the Next Generation of SydGen Herd Sires!

This sale has consistently produced bulls that have gone on to become some of the breed's top AI sires. Just as importantly, many good commercial cattlemen and Angus breeders have acquired top genetics no matter their price range. Our long-term commitment to multi-trait excellence shows up on the sire summary, as well as the pastures, feedlots and meatcases across the USA and Australia. We accomplish this with several diverse sire lines while maintaining intense selection pressure for soundness and phenotype.

- Selected by Shawnee Winds Angus, Jefferson City, MO, as a bull calf in our 2013 sale, Exceed has gone on to exceed all expectations, debuting as the Number 1 \$B sire on the young sire summary in July of this year, and currently ranked second of all Angus sires for that index.
- Outcross pedigree to many of today's popular sires, and exceptional for all measurable traits, as evidenced by his percentile rankings for the EPDs and bio-economic indexes listed.
- First four sons to sell at auction have averaged \$15,500.
- Dam is the Number 5 proven dam in the breed for \$B.
- There will just be a few calves by Exceed in this year's offering, but his ONLY maternal sister, by VAR Generation 2100, will be offered.

This Production Sale will offer many young bulls with "exceeding" potential. We plan to offer 120 Fall Yearlings and 65 January bull calves, with up-to-date performance and genomic information available.

We will also offer about 350 registered Angus females, including daughters, sisters and dams of some of our top young sires.

Later that night, we will offer approximately 200 commercial bred heifers, owned and developed by SydGen customers, in the 19th Annual SydGen Influence Sale.

For semen on all SydGen Sires, or information on our upcoming sale, please call 573-581-1225, or visit our web site at www.sydgen.com.
