

# MULTI-TRAIT EXCELLENCE

*From Our Place to Yours*

Staking his claim as the top-breeding son of Leachman Right Time, BOOM TIME ranks in the top 2% of the breed for both WW and IMF EPDs based on his first 45 progeny weaned and 24 progeny scanned. Produced by a very complete daughter of Paramount Ambush who will enter the SydGen donor program this spring. BOOM TIME offers a unique new package of multi-trait excellence for our customers.  
\$20 per Straw • \$40 per Certificate

Owned with Refocus Associates, USA

As the breed's only full brother to the legendary SAF FOCUS of ER, REFOCUS captured the imagination of many as he became the \$100,000 record-selling bull in our 2001 sale and the first bull to carry the SydGen prefix. A wide-based, big scrotal bull with extraordinary mass, rib, and growth, REFOCUS has all the ingredients to become one of the breed's rising stars for multi-trait excellence.  
\$25 per Straw • \$40 per Certificate.

The second high-selling bull of our record-setting 2002 sale. STERLING offers both the pedigree (E161/315/Independence/Direct Drive) and outlier ultrasound scan data to develop into one of the breed's elite carcass sires. Coupling that with a cow family long noted for low birth weights, fertility, and superb udder structure makes this young bull one of the most intriguing young sires on the horizon.  
\$16 per Straw • \$40 per Certificate
