

New Generation Sires from SydGen

Owned with Larry Rice's Snake Creek Ranch, Morrill, NE, and the Mike Kasten Beef Alliance, Millersville, MO.

The top-selling bull calf in our 2002 sale, Corona went on the record as the highest IMF scan ever at SydGen on a yearling bull as well as recording an adj. REA measurement of 15.1. He is a three-quarter brother to the record-selling GAR Integrity, and has already demonstrated his siring ability with calves in our recent sale offering.
