From the very top of our bred heifers is this top Corona daughter who ratioed 127 on IMF and 112 on REA. Her \$W and \$B Values are as impressive as her volume and broodiness. Safe in calf to the 2008 Missouri State Fair Grand Champion Bull SydGen Turbo 6684, she will be offered as a Buyer's Choice with her dam, SydGen Forever Lady 2352, who was featured in our August ad.

We only have a handful of spring calves by the \$160,000 Connealy Forward, so we are offering only our very best one. This February ET heifer out of 2352 offers incredible earning potential.

SydGen Forever Lady 4556

The \$48,000 valued maternal sister to 7407 and 8412. We will offer her best heifer calf by GAR Retail Product.

Highlights

- The SydGen Journey bull calf out of the Basin Lucy 1736 featured in our August ad weaned at the top of his calf crop, ratioing 128 to earn a WW EPD of +70.
- The first calf crop by SydGen CC&7 continues to impress us with their length, muscle and eye appeal. There will be four fall yearling bulls in the offering sired by SydGen Triumph and out of his dam.
- More Corona daughters are coming into production this fall, and the udder quality is consistently good.
- Several top sons of SydGen Contact will also highlight the offering.

Selling:

- 45 fall calving pairs, including many donors
- 40 spring bred cows, including the dams of many of the bull calves
- 87 January bull calves
- 105 Fall yearling bulls
- 22 Long yearling and older bulls, including 4 used in our program
- 62 Bred heifers due January - March 2009
- 80 Fall yearling heifers, ready to breed
- 75 Spring heifer calves, our freshest genetics
- 10 Registered Angus show steer prospects

11th Annual SydGen Heifer Sale

Later that night, SydGen customers will offer about 250 head of top-quality commercial heifers, all bred to or sired by SydGen Sires.
