

The Up-and-Comers!

These six young SydGen Sires have had their first round of calves processed through AHIR®, and are earning exceptional EPD profiles. Watch for their progeny in up-coming spring sales and consider them strongly for your AI programs. Each offers exceptional soundness, strong cow families and multi-trait EPD superiority.

CED	BW	WW	YW	RADG	SC	DOC	HP	MILK
+9	-1.0	+64	+112	+23	+2.72	+22	+14.1	+31

The top-selling bull in SydGen history at \$113,000 for 2/3 interest offers one of the nicest multi-trait EPD profiles to be found. Owned with Malek Angus Ranch, Highwood, MT; Slovek Angus, Phillip, SD; Pitts Angus, Hermitage, MO and Sioux Pass Angus, Lodge Grass, MT. Semen \$24.

Year in and year out, SydGen sires have proven to be some of the very top AI sires used in many programs.

They excel in true multi-trait selection, with long-term selection pressure for Docility and HP, along with the "popular" traits sought after by many. We like a strong blend of performance, profit and sustainability.

Semen is available on all these sires and in many cases, on their sires! Call 573-581-1225 to discuss which sires fit YOUR program best. Volume discounts available and free UPS ground shipping on combined orders of more than \$500.

All sires also available through the ORigen network and on those noted, through ABS Global.
