

Grass-Time is the Best Time!

Herd bulls are kicked out, and taking some time to analyze sire groups and start planning for our 38th Annual Production Sale on November 16!

- Exceed has risen to the Top Ten \$B Sires of the breed, and offers the highest Marbling and Scrotal EPDs of that elite group, along with the second lowest BW EPD and third highest Docility EPD. His first four sons at public auction are averaging \$15,500, all resulting from natural service on heifers as a yearling. His dam is the Number 1 \$B proven dam that is negative for BW EPD.
- FATE and Black Pearl, the two great Trust sons, are now Show-Me Select qualified service sires at .60 accuracy for CED, and both pack excellent EPD profiles for all traits, as well as excellent phenotype.
- Young sires Fastlane, Blacksmith and Touchstone have their first calf crops on the ground, proving to be "heifer-friendly," as well as all indications of functionality and growth in their progeny.
- "Whiskey," SydGen 928 Destination 5420, may have been the big winner in the recent genomic re-calibration, he and four sons rank over +200 on the \$B index for proven sires, despite limited usage.
- Cool continues to intrigue breeders with his functionality, exceptional docility and outcross pedigree.
- The first Rock Star calves are weaning in May and they will live up to his name!

The 11th Annual SydGen Influence Sale grossed \$360,050 on 98 bulls to average \$3674. Three yearling heifers averaged \$2167. Top-selling bull was a SydGen Exceed son at \$15,000 to Silverado Farms, Des Moines, IA. A son of SydGen 5420 Destination 1315 brought \$12,250 to Mike Jewett, Windsor, MO. BCA Jeremiah 5103 brought \$10,000 to SydGen, Jar Licker Farms and Boot Hill Farms and his flush brother BCA Moses 5105 brought \$9,000 to Steve Osgood, Weldon, IA. Thanks to all the contributing breeders, ring help, office help and buyers from 7 states for making this another successful event.

A big thank you to Blair Carney Angus, Adair, IA, for purchasing the top-selling female at the 2016 Missouri Angus Futurity, a Whiskey daughter out of a maternal sister to CC&7, at \$17,500 and to Jar Licker Farms and Boot Hill Farms, Hamilton, MO, for their \$7,500 purchase of the top-selling bull, sired by GAR Missouri.
