

More features for November 18!

Ranking as the No. 2 active dam by PA Power Tool in the breed for REA, and one of the very highest for YW as well, this coming four-year-old daughter of the \$390,000-valuation Sitz Henrietta Pride 643T will be offered at half-interest with the option to double. Her natural calf by Connealy Cool 39L will be one of the features in the January bull calf offering. We will also be selling two daughters and four fall yearling sons, by the Lot 1 and second high-selling bull of the 2015 Sitz Sale, Sitz Royal 9784. She has produced 23 transferable embryos in two conventional flushes, and offers exceptional productivity and soundness. Due January 24, 2018 to Connealy Cool 39L.

This six-year-old daughter of B/R New Day 454 is co-owned with Brinkley Angus Ranch, Milan, MO, and sells in her entirety. She is the dam of the \$25,000 BAR Decision 3320-7229, top-seller in the 2014 sale, and SydGen-BAR Landslide 5246, also used at SydGen. No other active dam in the Angus breed can match her combination of CED, REA, YW and DOC EPDs. We will sell a fall yearling daughter and son by Connealy Cool 39L, and two fall yearling daughters by EXAR Stud 4658B. A January ET bull calf by SydGen 928 Destination 5420 "Whiskey" will be one of the very top bull calves to be offered. Due in early March to Swanson Black Pearl 46-280.

Give us a call at 573-581-1225 for information on semen availability of SydGen Herd Sires. Multi-trait excellence and fescue adaptability are the strong suits of many of our herd sires.

We will sell about 500 head of registered Angus cattle on the 18th of November, along with approximately 200 head of commercial bred heifers from our customers. Herd bull prospects, donors and production-oriented females with balanced-trait EPDs designed for multi-trait excellence. Stop by anytime to preview the offering.

EPDs as of 8/8/2017
