21st Annual SydGen Influence Heifer Sale

After our production sale, at about 7 pm, we will host our annual commercial heifer sale at Callaway Livestock Center at Kingdom City, MO. Several of our best customers will sell about 130 head of top commercial bred heifers.

Of the top 200 sires on the Main Sire Summary for the \$B index, 16 carry the SydGen prefix, 8 more than our closest competitor and led by the two sires featured above. We apply intense selection pressure for all measurable traits to produce cattle that can do it all. End-product merit is one of the important parts of that equation.
