

Missouri Angus Futurity

February 23-24, 2019

We're Bringing Our Best!

As the natural baby calf at-side of EXAR Rita 4887 when she sold half-interest in our 2016 sale for \$37,500, 6406 had two maternal sisters featured in our 2018 production sale at \$70,000 and \$45,000 to 44 Farms, Cameron, TX and De-Su Angus, New Albin, IA. Only two other females in the Angus database can meet or exceed her combination of CED, YW and Marbling EPDs as of this writing, making her one of the most elite daughters of EXAR Stud 4658B available. 6406 will sell open and ready to flush and her August 31 heifer calf at-side will sell separately. SydGen Rita 8424 is sired by SydGen Enhance, and has registration number of 19322723.
