With 260 progeny now on record, Northside ranks in the top 11 sires on the Main Sire Summary for \$B and one of only 5 with CED of +10 or better. He ranks second in that group for Scrotal EPD and second for accuracy of carcass traits, along with the highest Milk EPD.

The first major offering of Northside calves at SydGen were the top-selling sire group of our November 2020 offering, with 20 sons averaging \$7,548 and 11 daughters averaging \$9,030. He also sired the \$25,000 top-selling bull at the Baker Angus Farm sale in November and a \$14,000 son in our 2019 sale froze semen at 11 months for Faria Brothers.

His first daughters are just in production now and exhibit exceptional udder structure. Owned with Baker Angus Farm, Butler, MO, and Brinkley Angus Ranch, Milan, MO. Semen is available at \$30 per unit, with certificates at \$40.

2021 Missouri Angus Breeders' Futurity Online, February 27, 2021

Selling six frozen IVF embryos by Northside out of an elite daughter of the breed's most widely-used sire, SydGen Enhance. The dam of these futuristic embryos is SydGen Primrose 9025, 19480643. She was the top performing natural heifer calf in our 2019 spring heifer calf crop and is currently the only non-parent female to rank in the top 2% for HP, Claw and Ribeye Area EPDs. She is a true multi-trait leader, with several rankings in the top 5 percentiles, culminating in a \$C of +\$342. Primrose 9025 is a maternal sister to the \$25,000 SydGen Brickyard, top-selling bull of our 2018 sale to Mogck & Sons, Olivet, SD, being a daughter of the preliminary Pathfinder® SydGen Primrose 6220, pictured below, with 3 WR-111.

SydGen Primrose 6220

Grandam of embryos selling.

Selling for \$52,000 for half-interest and full possession to Grimmus Cattle Co., Hanford, CA, this son of Northside out of the \$95,000-valuation EXAR

Rita 4887 posted the highest \$C of our 2020 bull offering. Advent also excels for WW, YW, RADG, \$W, \$F and \$B. Semen is available at \$35 per unit, with certificates at \$45.

SydGen Advent GA 9778
