The Definition of Multi-Trait Excellence, and the Number 1 Sire for Registrations in fiscal year 2020 and 2021; Number 3 for 2022. At his accuracy level, still the breed's Number 1 sire on the SC index.

The \$60,000-valuation co-top-selling bull of our 2015 sale to Mogck & Sons, Olivet, SD, he has proven his value for multi-trait excellence. With a high-accuracy proof, he also ranks in the top 3% for SB and RADG; the top 2% for Docility; the top 5% or better for Marbling, SB and SC; and the top 10% for YW. Many of the features in this year's offering will be grand-progeny, as his sons and daughters have come into production. He has sired sale toppers from coast to coast, and his name in the pedigree adds value. **Semen \$25.**

Other Sale Features:

- 135 head of sale cattle post +300 SC Values or higher. All 445 head of weaned and older animals average +282 for SC.
- The exciting first full calf crop of Volunteer progeny will be offered, with SC Values up to +373.
- The Number 1 SC daughter of Connealy Cool 39L in the breed.
- The highest %IMF scan in our history, at 14.66%, on a G A R Home Town daughter out of a granddaughter of V A R Blackcap 9319.
- Progeny of Bakers Northside, SydGen Rock Star, SydGen Big Branch, SydGen Exceed, Connealy Cool 39L, Jindra Megahit, SydGen Blacksmith 4010, SydGen Wake Up Call, SydGen Evolution, SydGen Black Pearl, SydGen CC&7, SydGen Black Diamond 2769, SydGen Aim, HPCA Early Bird 65, BCA Jeremiah 5103, SydGen Brickyard, SydGen Resolve 7132, SydGen Expansion 5917, SydGen Spirit 7219, SydGen Merit 6553, SydGen Blueprint, Car Don Annuity, SydGen Stealth, Deer Valley Growth Fund, SydGen Eternity 0046, GAR Home Town, and SydGen Merit will also be highlights of this sale offering.

25th Annual SydGen Influence Heifer Sale (NEW DATE)

On December 1, at 6 pm, we will host our annual commercial heifer sale at Callaway Livestock Center at Kingdom City, MO. Several of our best customers will sell about 120 head of top commercial bred heifers and 35 head of commercial two-year-old fall pairs.

Cattle with growth, docility, multi-trait desirability and sound structure are always the easiest to sell. No other sire can meet or exceed his combination of YW, Claw, Angle, DOC and Marbling.

The \$240,000-valuation top-selling bull in our 2019 sale, also to Mogck & Sons, his first 411 calves in 46 herds have done very well with their performance and ultrasound results. He will be on display at SydGen on sale day, where his first 20 progeny have averaged \$8,450. His first daughters in production are off to a nice start, with milky, well-attached udders and great dispositions. **Semen \$50.**

If you sort the high-accuracy sires in the breed (.85 for YW and .65 for CW), four SydGen sires rank in the Top Ten for SC. Exceed, Enhance, FATE and Black Pearl all have progeny in this offering; ALL are graduates of this very sale. Generations of selection for multi-trait excellence have created cattle that can do it all, in the traits that are currently measurable. Even though SC may or may not be quite the perfect scenario for your particular program, it is certainly a good starting point to select breeding animals that will keep your herd moving in a profitable direction.

Selling 503 head:
