Selling a flush to the bull of the buyer's choice on this impressive \$56,000-valuation daughter of GAR Sure Fire, from the top of the 2019 EZ Angus Ranch Production Sale. She is a sixth generation donor, and has produced 22 conventional embryos on her first two flushes here. Pictured as a two year old, she is currently nursing her second calf, an October heifer calf by Gavel, and is ready to flush. Co-owned with Brian Eveland, Hawk Point, MO, her dam served as a donor at Wilks Ranch, Eastland, TX and her grandam was a \$45,000 featured donor at Edisto Pines, going to Vista Farms, with daughters at Riverbend Ranch and XL Angus Ranch. Video should be available on Angus Live.
