## De-Su Volunteer B122

CED	BW	WW	YW	RADG	YH	SC	Doc	Claw	Angle	HP	CEM	MK	CW	MB	RE	Fat
+16	+2	+85	+155	+30	+1.4	+1.04	+16	+44	+48	+13.4	+10	+42	+80	+1.63	+66	+0.02

With his first multi-herd calf crop weaned this spring, Volunteer has made major moves on the weekly Sire EPD updates, earning one of the most elite multi-trait profiles available in the breed today. Hopefully, he will be back home from ORigen and on display on sale day, where we will feature his first full calf crop born at SydGen. Semen available at \$50.

Each year, some of our most exciting females are found in the fall yearling heifer division. We took a couple of early photos to give you an idea of the quality of this offering.

### SYDGEN LADY JAYE 1595

One of the highest-indexing fall heifer calves just weaned, she is a daughter of SydGen Merit 6553, the Exceed son in service at Woodhill Farms, out of a daughter of Riverbend Top Game B052.

This year, on November 19th, we will celebrate our 70th year in the Angus business, and our 44th Annual Production Sale. We will sell about 500 total head of bulls and females of all age groups. You are welcome to preview the offering at any time, and we appreciate your interest and evaluation.

### SYDGEN BLACKCAP 1913

This daughter of SydGen Blueprint at Spickler Ranch North, will be one of the higher SM females in the offering, produced by a daughter of Sitz Royal 9784 from a Tehama cow-base.
