*"All the heifers I bought bred back and their calves are growing exceptionally well. I will buy more from Mershon Cattle."
Fall '22 Illinois Customer*

About Us

Mershon Cattle is a commercial cattle operation based in Buckner, Missouri. This is the 9th consecutive year at the SydGen Influence Sale. We have used Sydenstricker bulls since 2004. Our herd consist of Angus based, cross-bred cows that have been AI bred to Hereford, Angus and Sim-Angus sires. Steers are retained and sold on the grid.

2013 Missouri Angus Association Commercial Producer of the Year
2018 Missouri Hereford Association Commercial Producer of the Year
2019 Beef Improvement Federation Commercial Producer of the Year
