

# Exciting Times!

A couple of "lesser-known" SydGen Sires stepped into the spotlight recently through their daughters, and we are certainly proud of the breeders who have invested in these genetics.

## HPC Early Bird 65

+8	+1.7	+53	+95	+2.4	+1.11	+14	+36	+46	+14.4	+9	+41

The only bull of the breed at his level for Marbling, SMaternal and SCombination. This moderate framed, recently deceased son of Exceed is owned with Woodhill Farms, Viroqua, WI and Cherne Farms, Guttenberg, IA. Semen S50.

### SYDGEN MARY BLACKBIRD 8479

A last minute feature of our 2019 sale as a \$29,000 featured fall yearling, this H P C A Early Bird 65 daughter went to FB Genetics, Dumas, TX where they calved her out and sold her as a \$32,000 feature of their 2021 online sale to Circle G Ranch, Adel, GA. A daughter topped the Fall Harvest Online Sale at Hartwell, GA in October 2022 at \$44,500 to Leegan Farms, McEwen, TN.

### H P C A 65 EARLY BIRD 210

This daughter of HPCA Early Bird 65 sold 1/2 interest to Belle Point Ranch as a feature of the 2022 Southern Synergy event from CAM Ranches. In the April 2023 Belle Point Sale, one heifer pregnancy, a set of 4 frozen embryos, and a future flush grossed \$28,700, selling to Circle G Ranch, Little Cedar Cattle Co., and Kern Cattle Co, respectively.

### KG BLACKBIRD 017

This daughter of SydGen Merit 6553 and her December bull calf at-side by Poss Ratified topped the April 2023 Katie Colin sale in Georgia at \$235,000 for 1/2 interest in both, to ST Genetics, making them one of the very highest-selling pairs of the sale season.

Customer success is at the top of our list of priorities. These examples, and countless more through the years, help us enjoy and continue in the Angus business. We welcome your visits anytime, as well as your questions and thoughts concerning our herdsires and donors. Make plans now for our 45th Annual Production sale on November 18, 2023.
