- 8464 was selected as a featured fall yearling in the 2019 EZ Angus Ranch production sale, where her donor dam brought \$17,500 to Wilks Ranch. 8464 sold half-interest to Brian Eveland, Hawk Point, MO, in our 2020 sale, as the second high-selling cow, and we will offer her this year in her entirety.
- She has been an exceptional embryo producer, with 48 conventional embryos in 5 flushes, and 25 grade 1 IVF embryos in four aspirations. She sells with an exceptional March heifer calf at-side by SydGen Jeremiah 8360, and safe in calf on April 20 to Connealy Craftsman. Sons by VDAR New Trend 315, BJ Surpass, and SydGen KCF Gavel 8361 will also be offered, and a fall yearling daughter by BJ Surpass. Frozen embryos by KLR Formula 1 will also be offered.
- Beautiful udder structure, a solid EPD profile and outstanding fertility will make this female and her offspring a highlight of the offering. She has already produced sons at \$10,000 and \$4,500 in previous sales.

The Top 50 Landmark Sires

Sorting the high-accuracy sires of the breed (.85 for YW and .65 for CW), turns up seven Sydenstricker Sires in the top 50 for SCombination. These widely-used landmark sires with multi-herd proofs add consistency and predictability to any breeding program. Descendants of SydGen Exceed 3223, SydGen FATE 2800, SydGen Black Pearl 2006, SydGen Enhance, Connealy Cool 39L, EXAR Stud 4658B and SydGen CC&7 will play a major role as the genetic base for much of this sale offering.

Several non-owned sires on this list have also been incorporated into the breeding program here through the years, and will also have descendants selling. They include GB Fireball, GAR Home Town, Connealy Confidence Plus, KCF Bennett Southside, GAR Sure Fire, EXAR Monumental, GAR Quantum, B/R Destination 727-928, Deer Valley Growth Fund, E&B Plus One and EXAR Denver.
