SYDGEN GAVEL 1529

Proudly co-owned with Knoll Crest Farm, Red House, VA and Mogck & Sons, Olivet, SD.

The record-selling bull in our history, with a \$240,000-valuation, and his first 20 sons and daughters at SydGen averaged \$8,540. This past spring saw a son at Kenny Angus, Schaller, IA become one of the most sought-after young sires of the season, at \$135,000 to ST Genetics.

The first calf crops have met with good buyer acceptance in our production sales, and his first daughters in production this fall confirm his ability to be the kind of multi-trait sire that leaves a powerful legacy through both his sons and his daughters.

If growth, foot shape, docility, slick hair and marbling are important to you, he needs to be in your breeding jug. His top 1% rankings for WW, YW, RADG, Claw and CW are unmatched by any other proven sire.
